Dear Professor Hayes

Thank you for your recent request for an extension on the previously approved application to conduct research in relation to **"Growing up in Australia: The Longitudinal Study of Australian Studies"** and the request for this project to be carried out within schools and colleges within the Catholic Diocese of Rockhampton.

I am happy to advise that this request for an extension on the approved application of 2005 has been granted.

Should you require any further information please contact Neil McDonald Executive Assistant to the Director who would be more than happy to assist. I look forward to hearing from you in relation to the outcomes of the project and wish you every success as you undertake this research.

Kind regards

Miss Leesa M Jeffcoat
