Dear Ms Hollonds

Approval to extend research

Thank you for your request to extend your approved research project titled *Growing up in Australia: The Longitudinal Study of Australian Children (LSAC)* to include Wave 8 of the project.

I am pleased to inform you that the Education Directorate has approved your request to extend your research to include Wave 8 and additional documentation to now cover 14-15 year old students.

This approval is given subject to the conditions outlined in the Directorate's original approval letter dated 17 July 2015, and referred to in the Wave 7 amendment approval letter dated 7 April 2017.

You may now directly approach the principals of the nominated schools, with a copy of your approval letters, for their permission to carry out the Wave 8 research. It will be at the discretion of the principal as to whether your research can proceed at their site.

If you require any information about this letter, please contact DETResearch@act.gov.au

Best wishes for your research.

Yours sincerely
