## INSTRUCTIONS

This diary covers what **your child has been doing** over the 24 hours that started at 4 AM today and ends at 4 AM tomorrow.

Each oval in the diary grid represents 15 minutes. In the example below, the activity occurred between 11:15 and 11:30, and then again between 12:15 and 1:30.

For each 15 minutes, please draw a line across the ovals that show:

- what your child was doing, including any travel involved (**white rows**)
- where he or she was (**light shaded section**)
- who else was present (**medium shaded section**)
- whether an activity was part of the child's homework (**dark shaded section**)

**Mark at least one row in each of the white, light shaded and medium shaded sections for each quarter hour.**

The **white rows** show what your child was doing, as well as any travel involved. Most parents mark only 1 or 2 activities per time slot, but you can mark other rows if your child did more than one thing during the 15 minutes. Please do not mark more than four categories for any one quarter hour. Remember to also mark the Travel section if there was any travel involved.

For example:

- Reading a book in bed is both 'Awake in bed' and 'Reading or looking at book by self'
- Sleeping in the car is both 'Sleeping, napping' and 'Travel in car'

The **light shaded section** shows where your child was. If your child moved from one place to another during a 15 minute time slot, please mark both locations.

The **medium shaded section** at the bottom of the page shows who was in the same room, or who was near the child if the child was outside. If your child was with more than one person, please mark all that apply.

The **dark shaded section** at the bottom of the page shows whether an activity was done for, or as part of, the child's homework.

You can choose to fill in the diary:

- 2 or 3 times a day **or**
- all at once when your child goes to bed **or**
- in the morning after the diary day.

### Important

**Please mark like this only:**  **or** 

- This form will be read using electronic equipment.
- Use **black pencil** only when completing this form - do not use ballpoint or felt tip pen.
- If you make a mistake, please erase the pencil mark fully.

*When you have filled in the diary, please complete the questions on the back page.*

### EXAMPLE

Below is an example of how the diary would be filled in for a child’s morning.

Joshua woke at 6.30am and dressed himself. He then watched the morning news with his father. At 7.00am he had breakfast with his parents and baby brother. After breakfast he helped his mother clear the breakfast dishes from the table and at 7:45am went outside to play with the family dog. At 8.15am his father went outside to tell Joshua it was time to leave for school. Joshua became upset because he didn’t want to stop playing with the dog. His father calmed him down and they left home at 8.30am to drive to school. During the drive to school Joshua read out loud to his father from a book he had brought home from school the previous day. His father dropped him off at school ten minutes later and gave him a hug goodbye before going on to work.
